- The waterfall retreats upstream over time

The scheme awards full marks for a detailed, accurate sequence using correct terminology, while partial marks are allocated for incomplete or vaguely explained processes.

Example 2: Human Geography ? Urban Growth

Question: Explain two reasons why urban areas tend to grow.

Mark scheme guidance:

- Identification of reasons such as migration, natural population increase, economic opportunities, or proximity to resources (each reason explained) ? 2 marks per reason
- Application of case study examples where relevant ? up to 2 marks

Typical student responses:

- People move to cities for jobs (1 mark), leading to growth
- Cities provide better healthcare and education (1 mark)
